Information Systems Security Association

Article I- Name and Purpose

Information Systems Security Association has been established for the purpose of enhancing the education and skills of its members in information systems security related fields. We encourage members to freely exchange information security techniques, approaches, and ideas. In addition, we would like to provide communication to keep members abreast of current events in information processing and security. The ISSA works towards the goal of encouraging student participation in the information security field and exploration of the career options therein.

Article II- Scope

This organization is subject to the jurisdiction of the Student Government Association of the University of Maryland, Baltimore County, as well as to the President of the University and his/her designee.

Article III- Membership

A UMBC student can become a member of this organization by:

- Attending at least 2 meetings
- Completing a membership form

Membership in this organization is open to any UMBC undergraduate student (without restriction of GPA requirement, try-outs, etc.).
