National Alliance on Mental Illness

Article I- Name and Purpose

National Alliance on Mental Illness has been established for the purpose of educating the campus on the development of mental health problems and how it can be prevented. As students at UMBC, we learn about removing the stigma of mental health, but we don't take the time to reach out to our community and inform them how it can occur. Our goal is to not only remove the stigma around mental health, but give students an opportunity to learn about each disorder (example: anxiety disorder) or condition related to mental illness (example: sleep apnea). It is our job as an organization to stress the importance of a healthy life style.

Article II- Scope

This organization is subject to the jurisdiction of the Student Government Association of the University of Maryland, Baltimore County, as well as to the President of the University and his/her designee.
